

# Conference Update

**PARTNER PROGRAMME**

**GALA DINNER TE PUIA**

**Hoki mai ano. Welcome back to the third Conference Newsletter.**

## Take up the opportunity

**Few ZONTA International Districts are able to hold their conference in person. Please take advantage of this special opportunity to support D16 and send a clear message worldwide that ZONTA is resilient.**

**Please add the Conference Updates to your Club Newsletters.**

*(A big thank you to those Clubs who already have)*

## Opening Ceremony

**Saturday 25th September**

Our Opening Ceremony on Saturday morning is a significant and meaningful part of our Conference. Please remember to bring your Club Banner for the Banner Parade. Similarly to Christchurch, we are unfortunately unable to display the banners after the parade.

### Gala Dinner Speakers

We are delighted to announce that the 2021 D16 YWPA winner **Carmen Holdaway** and 2021 Amelia Earhart Fellow **Ha Tran** will receive their awards at the Gala Dinner.

Join us to celebrate these amazing young women and be inspired by their stories.

## Action Items: Registrations

## Sustainability

**We are committed to running a more sustainable conference. Here are some of the things we are planning to do. Any action however small, matters.**

**Z**ONTA name badge - please bring yours to wear. We are not providing separate name tags.

**O**nly what you need - we won't be doing Conference Bags full of things you simply throw away. Pens and notepads will be provided.

**N**o printed conference handbook. You will receive an electronic version prior to Conference. Thank you in advance for your part in supporting D16 to take sustainable actions.

**T**V screens around the venue will continually update conference information, so no additional handouts.

**A**ll attendees will receive a special Zonta branded conference memento that demonstrates our commitment to sustainability.

*For the golf mad, you cannot go past the chance to play a round at the world famous Arikikapakapa course right across the road from our Conference venue - the Distinction Hotel.*
